# All End-Point Master Mixes

NZYtech's End-Point Master Mixes are high performance master mixes designed for hot-start, fast, multiplex, long and complex amplification.

NZYtech's End-Point Master Mixes are designed for routine PCR offering with and without Hot-Start capabilities. With some available in liquid and lyophilized options. Their robust performance make them the ideal choice if you are searching for fast, specific and robust PCR results.

Hot Start	Name	Unit Size	Price	Promotional Price
